

FREMONT RODEO IS TO BE AN EVENT WORTH SEEING

Arrangements have practically been completed for the mammoth rodeo that is to take place tomorrow afternoon at the remount depot of the 8th division. Some of the best riders in the army have been placed on the program and numerous will be the daredevil stunts that will be witnessed.

This is to be the biggest event of its kind ever seen in this state, and many of the entertainers were professional riders previous to joining the army, and took part in the Cheyenne Frontier Days at Pendleton, Ore.

There will be many novel features on the program, including mule race by wagon train, bucking mules, pushball contest, horseback wrestling and other daring and thrilling stunts that have never before been seen in the west.

The men engaged in work at the remount station comprise a bunch of broncho busters who are daily taming the horses that are being brought in by the thousands, and they are capable of giving an exhibition of merit.

The seven Geary sisters will give an exhibition of fancy riding, while Private Gean Hall will give a drunken cowboy ride. There will be no charge for soldiers but admission for civilians will be 50 cents.

Following is the program of events for the day:

Riding contest, open to all enlisted men; wild horse race, to be ridden in the horse-breaking corral, open to all enlisted men; lady fancy riding, by the seven Geary sisters; drunken cowboy's ride by Private Gean Hall; fancy roping exhibition, by Private Gean Hall; trick riding by the remount riders; horseback wrestling on bareback; tug-of-war, mounted; pony express race, by the remount depot riders, against all comers; bucking mules, bareback; cowgirl race, open to all; stake race, by the remount depot riders; potato race, mounted; pushball contest, remount team against all comers; mule race by wagon team.

The big event will take place in the large Nash field opposite the remount station. Special trains will arrive every 20 minutes from San Francisco over the Dumbarton railroad. Trains will run right to the remount station. The exercises will take place in the afternoon. Miss Isabella Weeden, the noted warbler, will sing several patriotic songs. She will ride through the field on a spirited broncho singing the latest war songs. A small admission fee will be charged.

Mr. Reynolds has been a resident of the southern end of the county for a number of years and enjoys a wide circle of acquaintances. He would make an ideal assemblyman.

Mrs. Patterson in her complaint alleges that her husband receives a salary of \$110 a week, has forty acres of land at Patterson, Cal., and has stock in the Swift Company. The Pattersons have been separated since March 6, 1918. Mrs. Patterson alleges extreme cruelty as the basis of the action.

OVER THE TOP

MRS. EMMA LADEAU, MOTHER OF FORMER CITY TRUSTEE, PASSED AWAY MONDAY

After a long and painful illness extending over a period of six months Mrs. Emma Deleau, passed away last Monday morning. The funeral took place from her late residence on Wednesday. A requiem mass was celebrated for the repose of her soul at Mount Carmel church on Wednesday. Interment was in Holy Cross Cemetery, Colma.

Mrs. Deleau was a native of Belgium, aged 52 years. As a young woman she came to California and for many years resided in San Francisco. For eleven years she resided in Redwood City, where she made many friends by her kindly ways and neighborly consideration and affable manner. To know her was to love and admire her. Mrs. Deleau did not mingle in society preferring to give her attention to her home and in doing church work.

She is survived by one son, George Deleau, a former member of the city council.

The memory of Mrs. Deleau will long be cherished by her numerous friends in Redwood City.

Minor orders were conferred upon the young clergyman two years ago. After his ordination he will take a short vacation before being assigned to duty by Archbishop Hanna. Most likely the young man's first mass will be celebrated at the home of his parents at San Mateo and this no doubt will be a big church event there as the family and young man have many friends on the peninsula. Rev. Falvey is a clever speaker, giving every promise of a successful pulpit orator and an earnest worker and devout priest in the vineyard of the Lord.

Professor S. P. McCrea will arrive home from Oakland this morning where he attended the annual session of the high school principals of the state. The law makes it mandatory for all high school principals to attend these meetings. School legislation and matters in general pertaining to the high schools are discussed. Frank Maloney accompanied by his young son, Francis, has gone to Gilroy Hot Springs to spend two weeks at that delightful place.

DESIRE IS TO PLACE THRIFT SECURITIES IN EVERY HOME

Jos. H. Nash, Chairman of the Redwood City War Savings Committee, reports that more war savings certificates have been sold the first week in April than for any other week since the Thrift Stamp Campaign opened.

This is due to the steady work, the energy and the enthusiasm of the men and women of the Redwood City War Savings Committee.

The Captains of the different districts into which Redwood City has been divided held a meeting Wednesday evening and made an initial report of the work they have in charge. Through their Lieutenants a census has been taken of the town and a report has been made of the number of Thrift Cards in each family.

The report was most encouraging and the women hope soon to be able to say that not a single family in our city is without these securities.

The following is taken from a circular received by our local chairman from Frank A. Vanderslip, Chairman of the National War Savings Committee:

"I have never felt more profoundly than I do at the present moment that the War Savings work—the task of getting into the minds and the daily life of all the people the doctrine back of the War Savings movement—is one of the fundamentals in our contribution toward crushing this damned Prussianism. As we sacrifice now, we will escape bowing to arrogance in the future."

The total value of the estate is \$18,058. There was no inheritance tax to be paid by the estate as the exemption was sufficient to cover any tax.

McLeod, assistant chief of the division of loans and currency in which McLeod said that the attention of the treasury department had been called to the idea and Seely's patriotic interest was appreciated.

Asks for Change of Name

Joseph Lengyelotti has applied in the superior court for a change of name. He recites in his petition that he has been six years in the army and repeatedly has been embarrassed by reason of the fact that his comrades can neither pronounce nor spell his name and that Lang would be a more American name. He asks the court to change his name to Joseph Lang. He was born in Hungary and has a mother and brother residing there. He is a sergeant at Camp Fremont. Lieutenant Floyd Wright of the camp is his attorney.

Sue to Dissolve Partnership

E. Menfredi and others have commenced an action in the superior court against S. Degastano to dissolve a partnership existing since last October. The partners grow vegetables for the market at Colma. The heirs at law are the widow, Mrs. Charlotte M. Heise, Walter L. Heise, a brother living at Berkeley, Ida W. Heise, Whittier, Cal., and two sisters residing in Nebraska City, and a daughter of a deceased brother. The girl's whereabouts is not known. E. F. Fitzpatrick is the attorney for petitioner.

MRS. BETTI IS FINED \$120 FOR KEEPING BLIND PIG

The woman has three other charges pending against her and her husband has two similar charges. District Attorney Swart prosecuted the case and J. J. Bullock defended Mrs. Betti. She has been under surveillance by the authorities for some time.

CASARETTO AND MERRILL SELL TO OAKLAND FIRM

Casaretto and Merrill have disposed of the City Market on Main street to Roonan and Company of Oakland, wealthy butchers of that city. The new firm will be in charge of the market next Monday. They contemplate extensive improvements among which will be the installation of a sausage kitchen.

Casaretto and Merrill still retain the property in which the market is located and have given a long lease to the new comers. The owners have made the premises thoroughly sanitary. The driveways, back yards and flooring in the sheds have been laid in cement, so that everything about the market is in a sanitary condition. The retiring proprietors of the market will remain in Redwood City and will not engage in any other business for some time.

Suit to Quiet Title

William T. Reid has brought an action in the superior court against M. F. Michael, administrator of the estate of William Sharon, who died on December 5, 1885, to quiet title to the lands on which the Reid school at Belmont are located and which at one time was a portion of the Sharon estate. The property originally belonged to the late W. C. Ralston.

DRY ORDINANCE WINS; RYAN AND KREISS ELECTED TRUSTEES

The election last Monday passed off very quietly. There were no brass bands and no tumult. One would hardly believe there was an election in town yet nearly ninety per cent of the registered vote was polled. Out of the 1298 voters who had registered 1146 came to the polls. This shows the intense interest that was taken in the contest by the citizens of Redwood City.

Of course the liquor question was the big issue and the voters in a decisive manner settled it for all time.

The proposition calling for the closing of the saloons of Redwood City on July first of this year, carried by a vote of 654 for and 447 against. The majority in favor of the dry movement was 207. The wets gained considerably in the last few days before election. Had the contest taken place two weeks before the dries would have secured a two to one vote on the issue.

The defeat of C. M. Dossie was a surprise as it was the general consensus of opinion that he would be elected. He made a gallant run but failed to win by a few votes.

M. E. Ryan and George A. Kreiss are the successful candidates. They are both excellent citizens and will make efficient and capable trustees. The big vote they received shows they have the confidence of their fellow citizens.

The following figures show the result of the election in the four precincts:

Precinct No. 1. Total vote 389—	Baird, 82; Dossie, 143; Kreiss, 248; Ryan 253; Price 295; Towne, 296; Ordinance, Yes, 195; No, 180.

The decisive vote on the wet and dry question in Redwood City last Monday proves conclusively that the tendency of the times is to close the saloons. Wherever there has been an election on this issue the dries invariably won. The day of the open saloon is passed. No longer will they be permitted in any community. The closing of the barrooms in Redwood City next July will no doubt work a hardship upon a few but the good that will result will more than overbalance and harm that will be suffered by these few. It is unpleasant to take away one's business and perhaps his livelihood which the closing of the saloons may do, but then we must consider the happiness that is to be brought to many homes made desolate by drink. All in all the benefits that will come to many by the good work of last Monday will be manifold.

The peaceful and placid town of Belmont known to history as the home of W. C. Ralston, the noted banker of early days and the builder of the Palace hotel, and the former residence of Senator William Sharon, is soon to come into the lime light. After next July it will be the only place from there to Gilroy, a distance of a hundred miles where liquor will be sold. In other words Belmont will be the beginning of the wet zone on the peninsula to San Francisco. It is hardly to be presumed that the good people of that historic village will cherish or appreciate the notoriety thus suddenly thrust upon them.

California Grange Master Sounds Call

The patrons of husbandry throughout the United States have voiced their united support of the President and all of his war plans. Both in national and state convention assembled they have placed themselves on record to aid in all the war work of the country.

Members of the California State Grange are the recipients of an added word of reminder of the part they are expected to assume in the Third Liberty Loan. The message has been issued to the California farmers by Frank L. Hunt, master of the California State Grange.

This is the appeal to members of SIX-32071-W N. U.S The Grange which has been sent out by Master Hunt:

When the National Grange met in annual session at St. Louis last November, the very first business transacted was to send the following telegram to President Wilson:

"Woodrow Wilson, President of the United States, Washington, D. C.

"The National Grange, in annual session at St. Louis, hereby expresses to you the unqualified support of the Patrons of Husbandry, from Atlantic to Pacific, in the great world task in which this nation is now engaged, and in behalf of the organized farmers of America, we pledge to you the full limit of our energies and our resources in helping to win the world victory for democracy."

This is in line with the spirit shown by members of the Grange throughout the country. From the very declaration of war, the Patrons of Husbandry have declared their loyalty and devotion to our cause and our country.

Surely the members of this or any other fraternal organization can render no greater service than to assist their Government in this time of need.

As we enter upon the Third Liberty Loan Drive, I trust the Patrons of Husbandry of California and farmers generally will come forward with renewed loyalty and enthusiasm and do all they can to aid our Government officials in "going over the top" with this loan in a shorter time than either of the first loans were consummated.

FRANK L. HUNT, Master California State Grange.

Will you, who through long years of peace Have lived in this beloved land, Take out a bond and so increase Its armament by sea and land?

Will you, who have had home and food In liberty beneath this sky, Hold back, and let a foreign brood Teach you the way to do and die?

Will you, who have so often said Your country was the best on earth, Wait, until confidence is dead, Before you prove what words are worth?

Martha Newland.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Lieutenant R. E. O'Connell, R. M. A., has been ordered to Dallas, Texas, and left San Diego yesterday to assume his new duties.

If you have Watch trouble see watch doctor, George Peterson, 214 Main street, Sequoia Hotel Building. James F. Wylant, the popular local train dispatcher, underwent an operation for appendicitis in a San Francisco hospital last week. He is recovering nicely and will soon be convalescent.

Dr. J. L. Ross is quite ill at Paso Robles Springs. His family is at his bedside. They left on Thursday morning to be with him until his recovery. The doctor has a severe attack of stomach trouble.

Eugene Sampson, young son of Mr. and Mrs. Edward Sampson, has been transferred from Mare Island to the eastern seaboard. He will soon be sent to England to join a crew of a submarine chaser to patrol the English coast.

Sergeant Wilbur Dossie has been transferred from Camp Lewis to Camp Meade, Maryland. His wife, who has been with him in the north has returned to Redwood City and is staying with her parents, Rev. and Mrs. C. H. Stevens.

Louis Mills of Redwood City, who some time ago enlisted in the aviation branch of the army and who is at the naval airplane station at San Diego, met with a painful injury last Monday while on duty. Mr. Mills is at the base hospital. He is expected to report for duty in ten days.

The Order of Druids of this city will give their fifth annual ball in Foresters hall on Saturday evening, April 20th. Markgraf's orchestra will furnish the music. Dancing will continue until 3 o'clock. Dance goes have been anticipating this event, and will attend in large numbers.

George W. Winter has shown what a merchant is capable of doing for the cause of freedom and humanity if he has the inclination so to do. Since January first Mr. Winter has sold War Saving Certificates and Thrift Stamps to the amount of \$1000. This is the largest individual sale yet reported.

A Ford automobile, and only a Ford car could do such a thing, driven by Dr. Bowden of Portola, plunged into the plate glass windows of Dr. J. L. Ross' office on Thursday shattering two large panes of glass and smashing the woodwork. The doctor lost control of the machine and it ran into the building.

R. E. Woodhams, proprietor of the Seaside Auto Stage Company, has just purchased a new auto stage for his route from Redwood City to La Honda and Pescadero. Mr. Woodhams contemplates putting on another auto stage in a short time to accommodate the large volume of business that will soon start in that direction.

The soldiers and officers of the medical department of Camp Fremont will give a minstrel show in the Alhambra theatre in about two weeks time. The date has not been definitely settled. The proceeds will go toward buying musical instruments and apparatus for the department. About thirty-five artists will take part in the performance. The medical corps is made up of men from all portions of the United States, many of whom are talented musicians and actors. Watch for the date and don't miss the show.

ORDER TO SHOW CAUSE AND FOR PUBLICATION

M. of said day, and show cause, if any they have, why said application for change of name should not be granted; and it is hereby ordered that a copy of this order be published in the Times-Gazette, a newspaper of general circulation printed in said County for four successive weeks next preceding the day of hearing.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

The restaurant recently conducted by the two German boys who have been interned by the government has been leased to San Francisco parties.

Miss Catherine Nash underwent an operation at the Peninsula hospital, Palo Alto, last Wednesday morning for appendicitis. Miss Nash is recovering and in all probability will return to her home in two weeks.

E. L. Eyre while going to his office in the Merchant's Exchange Building in San Francisco on Tuesday slipped and suffered a fracture of his shoulder blade. The Eyres are expected to occupy their home in a short time.

The shoulders on Santa Cruz avenue are being surfaced with asphaltum by a number of men employed by supervisor MacBain. The space was macadamized by the county some months ago but it began to wear and in order to save the shoulders it was brought back to surface them.

Mr. and Mrs. Albert Schwabacher, who have been passing the winter in San Francisco, as usual, have returned to Menlo Park where they have reopened their attractive country home for the summer months. The place is one of the prettiest on the peninsula, and is often the scene of delightful entertainments.

Major General Morrison announces that a big song festival is to be held by the men of the division during the latter part of May. Twenty-five thousand voices will form one of the biggest trained choruses ever assembled here or anywhere else. The men are now being instructed in small groups for the big event by Division Song Director Festyn Davies.

It is surprising that the state will do nothing to drain the storm waters from the street of Menlo Park. The officials of the highway have been repeatedly asked to do so but they only turn a deaf ear to all appeals. There should be some way to make them do so. It would be wise to have them out of office bodily and secure men who will do their duty.

Gertrude Carroll and Mary J. Sornogor have opened their light lunch and ice cream parlors on Santa Cruz avenue. They have also a full line of tobaccos and temperance drinks. Mrs. Carroll is no stranger in the peninsula having resided in South San Francisco for many years. The young ladies are doing a splendid business.

Major Albert J. Galen, attached to the Judge Advocate office at Camp Fremont, has leased the attractive home of John Doyle on Pine street. The major has a wife and young son, aged 16 years, who will in all probability enter Stanford next semester. Major Galen was a noted criminal lawyer in Montana before he enlisted in the army.

James Langstine has turned over his lease of the Palm hotel to John Doyle, who will conduct the well-known hostelry as a rooming house. He has moved his family to the hotel. He has a splendid business. Mr. Doyle can scarcely accommodate the big demand made for his apartments. Mr. Doyle will devote all his time to be thriving business.

Archbishop E. J. Hanna will officiate in a class of seven young men of St. Patrick's Seminary at St. Mary's Cathedral, San Francisco, on May 18th. The young priests will have completed a course of eleven years at the institution. The following young men will be elevated to the priesthood: Robert Falvey, San Mateo; Luke Parker, Arthur Walsh, Charles Ryan, San Francisco; Eric Schermerman, Boise City, Idaho, and Daniel Keenan Los Angeles.

Miss Frances Casey went over to Oakland on Wednesday to attend the marriage of Miss Mary Ruth Hall to Lieutenant Ralph Densmore which took place at the home of the bride's sister, Mrs. Mabel Cross. Rev. Father Eagan, formerly of Halfmoon Bay officiated. The attractive bride was born in Menlo Park 20 years ago. Her Godfather is W. T. Casey and her Godmother is Miss Agnes Mason. The young lady is highly accomplished in music and painting.

The Regent will open its branch store at Menlo Park in the new bank building next Monday. A big stock of military and civilian clothing has been installed together with a full line of gents furnishings. The store is to be in charge of Leo Booch, nephew of L. R. Lauterstein of the Regent. Mr. Booch, who has just arrived from the east is an affable young married man. His family is on their way from the east to make their home here. The Regent will do a big business.

S. C. Scheeline has leased the Richard H. Sprague place at Menlo Heights for the summer. Mr. Sprague has taken his son-in-law's place, close by. Mr. and Mrs. Pool, the son and daughter are residing at Washington. Mr. Pool being a one dollar a year enlisted man in the aviation corps. William, the twenty-two year old son of Mr. Sprague, who enlisted as a private in the engineering corps some time ago, has been promoted a second lieutenant. On his arrival in France a short time ago he was again promoted to a first lieutenant. The young lieutenant is a graduate of the University of California.

NOEL HOME MAKES IDEAL CLUBHOUSE

Perhaps no place on the peninsula is better adapted for an officer's club house than the Miss Noel home, which has been leased by the army officers of Camp Fremont. It is ideal for such a purpose. The grounds surrounding the palatial residence comprise seventeen acres laid out in lawns, choice shrubbery, flower beds and serpentine walks and driveways. Tennis courts, croquet grounds are features of the place. The club contains the names of over 400 officers who will enjoy this beautiful country home planned for ease and comfort. The building is a model of modern architecture, every room furnishing its quota of pleasure for the tired and weary. The spacious library, attractive music room, inviting dining room, broad halls, ball room, all adding to the comfort of the visitor. The culinary department is unequalled anywhere. The big modern stable is to be transformed into a fine ballroom where society will love to be lost in the mazy waltz and trip the two step. The home is one of the oldest on the peninsula, having been established in the latter sixties by the late Lemon Meyer, who subsequently sold it to the French Consul, J. Gazeau, who in his time entertained San Francisco's best society there. Later the property came into the possession of the late Edgar Mills. He was a brilliant entertainer and here revelled in the beautiful place. Mr. Mills held it for many years and after his death the property passed to its present owner, Miss Noel, who has spent much money in further beautifying it. While many brilliant affairs have taken place there in the past the events to be scheduled by the officers in the future will no doubt surpass anything ever held in the historic old mansion. Here Major-General Morrison will spend his leisure moments in rest and recreation and here all the leading army officers from all parts of the globe will visit and enjoy the beauties of this wonderful spot the like of which cannot be duplicated in the world. The occupying of the old mansion by army officers means history and its halls will resound with revelry and pleasure as it did in the days when it was occupied by the French consul.

WOODSIDE NOTES

The ladies of the Red Cross Circle are meeting every week to sew and knit. From now on they will meet in the old Newman house on the Portola road every Wednesday afternoon. The new arrangement for a permanent place is made possible through the kindness and generosity of Mr. and Mrs. A. Neuman of Woodside.

E. R. Dimond has returned to his Portola home from San Francisco and will remain for the summer. Mr. Dimond contemplates many improvements at his place this year.

Applies for Letters

Ida E. Raney has applied in the superior court for letters of administration upon the estate of her mother, Cornelia B. Hubbard, who died on March 12, 1918. The estate consists of a deposit in the Hibernia bank amounting to \$4,535.17 and an undivided one-half interest in the Reed ranch at Pescadero valued at \$15,000. The entire value of the estate does not exceed the sum of \$20,000.

TWO WELL-KNOWN RESIDENTS DEAD

Wendell B. MacBain
Wendell Bogart MacBain, young son of Lillian G. MacBain and the late Edward G. MacBain and brother of Earl G. MacBain of Burlingame, passed away in San Francisco on Tuesday last. Some time ago the young man suffered an attack of spinal meningitis and after much pain and suffering succumbed to the dreaded disease. Young MacBain was a native of San Francisco, aged nearly 20 years.

He had been employed in the city and was eager to assist his mother. He was a dutiful son, obedient, truthful and gave great promise for a successful career. His devoted mother is almost inconsolable. Her son's death is a severe blow to her for she loved him dearly.

The funeral took place on Thursday, interment was in Cypress Lawn Cemetery, Colma. Deceased was a nephew of Supervisor John MacBain of Menlo Park. The father of the young man spent his early life in Menlo Park and was well-known on the peninsula.

Hugh McLaughlin Passes Away

Hugh McLaughlin, a well-known resident of San Mateo and engaged in business at that place for many years, passed away at his home last Wednesday following an illness of several months.

Hugh McLaughlin was a whole souled, genial man, who was known to almost every man in the county. He came to San Mateo from San Francisco several years ago and at once became a favorite with the people. He passed away at the home of his niece. His wife predeceased him some three years ago.

Many years ago McLaughlin was a porter in the old Occidental hotel in San Francisco when Gavin McNab was a clerk there. The latter has since become one of the noted lawyers of the coast. He is now in Washington, called there a few days ago by President Wilson. McLaughlin died almost penniless while McNab is a millionaire. Such is life.
